AMBL ACTUATOR RENOVATION PROGRAM

A well-maintained AMBL with precise cuts is the key to a profitable production providing you with best price for meat and increased profit.

The actuators are essential to ensure precision in cuts from several meat knives in your AMBL, which is why you have the option to benefit from our renovation program, and with that, the opportunity to secure improved yield.

Stocking an actuator allows you to maximize your up-time by exchanging a damaged unit within minutes. Ship the damaged unit to us and repair specialists will handle the renovation.

Do not hesitate to contact us for more information. We are here to help.
